

WIZO.uk fundraising chairman – Miriam Borchard

I was a founder member of Group 78 and chairman of this Group for two years. I have been a member of our head office lay leadership management team for many years, serving on both the Executive and on National Council.

I was co-chairman of the membership department for seven years and am currently co-chairman of the Fundraising Department and vice-chairman of WIZO.uk. I have visited Israel a number of times to participate in WIZO conferences and missions.

WIZO.uk campaign chairman – Andy Epstein

I have been associated with WIZO for nearly twenty four years both locally and nationally, as a volunteer and in a professional capacity. During the 1990s, as a member of the Executive I headed a new department combining publications and IT. Later, in a professional capacity, I was publications co-ordinator and managing editor of VISION magazine. In 1999, I became manager of the membership services division and instituted a membership benefits scheme that encouraged new members to join. Over 1000 lapsed members also re-joined.

I retired from the staff in November 2001 but returned to the Executive as a volunteer and lay head of the communications department. In March 2006 I became lay head of Jewish Women's Week and Vice Chairman of WIZO.uk. I am also responsible for our annual Rosh Hashanah Appeal and involved in the Schools Campaign also. I have devised the wizoukquiz@home for the last two years and the history presentation used at our 90th Gala Show. In addition, I am chairman of Gilo WIZO, covering Woodside Park and North Finchley.

WIZO.uk treasurer – Hanni Seifert

I have been associated with WIZO for over 30 years and was co-chairman of Group 78 for three years after which I became a member of the WIZO.uk Executive and the (former) National Council. I took the role of co-head of fundraising and was appointed co-treasurer with Helen Reisman and a Trustee of British WIZO.

As co-treasurer I am involved with the administration of legal contracts, insurance issues, wages, legacies, budgetary issues and contact with Group treasurers. I continue to assist in the organisation of major fundraising events and oversee the Young WIZO movement.

During frequent trips to Israel, I visit WIZO.uk projects around the country. I recently participated in the work involved in the rebuild of the Kadima DCC and in the renovation of our WIZO.uk-maintained centres in Afula, Nahariya and Netanya.

WIZO.uk finance chairman – Jill Shaw

I have had many years of experience within WIZO.uk. Most recently I served as co-vice chairman and co-finance chairman from the last conference. Prior to this I served as co-honorary treasurer for two consecutive terms. During these periods I have also been a Trustee of British WIZO.

"During my period of office, I have helped to build on the harmonious relationship of the UK finance team with World WIZO, particularly ensuring better accountability and reporting from World WIZO. The contacts have been strengthened by regular personal visits to many of the projects for which we have responsibility."

I have served as education chairman, external relations chairman and as co-AVIV chairman. My local group is Chamanit, where I currently hold the position of membership secretary.

WIZO.uk chairman – Loraine Warren

I have served as chairman and Trustee of WIZO.uk since 2006 before which I was honorary secretary during the terms of office of Michele Vogel and Sarah Glyn. I was vice-chairman of the fundraising department for three years and also served as co-chairman of the AVIV Council.

I joined WIZO as a founding member of Cardo WIZO where I was chairman for two years. I have participated and led many missions to Israel.
